Minnesota State Capitol Art and Architecture Tour & Luncheon: July 8, 2017

Price: \$50.00

The Minnesota State Capitol has undergone a \$272 million renovation to restore its historic features, including the architecture of Cass Gilbert's Beaux-Arts-inspired 1905 marble masterpiece and the artwork inside. The tour takes guests on a journey through the Minnesota State Capitol to view the resplendent murals, grand sculptures and exquisite decoration that make the building so special. We'll explore how art and architecture partner to make the Capitol one of the premier public buildings in the United States.

Prior to its official grand opening, you'll experience a preview of one of the grandest and most architecturally appealing public buildings in the United States. Following the tour, the group will retire to the rooftop patio at nearby Isthmus Engineering for a social luncheon accompanied by a sampling of Minnesota beers.
